

### REMARKS

The drawings have been amended in compliance with the "Drawings" objection bridging pages 2-3 of the Office action mailed 15 June 2004. Specifically, new Figure 13A shows frame members 12, 14, 16 arranged in an H-Bar configuration. New Figure 13B schematically depicts the relationship between frame members 12, 14, 16; heat sink(s) 22; and reflector(s) 30.

In accordance with the foregoing it is submitted that this Amendment places the application in condition for allowance, which is requested.

Respectfully submitted,

By:
